To consider and, if thought fit, pass the following Resolution as a non-binding ordinary resolution:

Note: the vote on this resolution is advisory only and does not bind the Directors or the Company.

Voting Exclusion Statement:

A vote on Resolution 1 must not be cast (in any capacity) by or on behalf of either of the following persons:

(a) a member of the key management personnel, details of whose remuneration are included in the Remuneration Report; or

*(b) a closely related party of such a member (referred to herein as "**Restricted Voters**").*

*However, a person ("**voter**") may cast a vote on Resolution 1 as a proxy if the vote is not cast on behalf of a Restricted Voter and the voter is appointed as a proxy in writing that specifies the way the proxy is to vote on Resolution 1. The Chair may also exercise undirected proxies if the vote is cast on behalf of a person entitled to vote and the proxy appointment expressly authorises the Chair to exercise the proxy even if Resolution 1 is connected directly or indirectly with the remuneration of members of the key management personnel of the Company.*

Voting Notes:

Directors of the Company who are key management personnel whose remuneration details are included in the 2018 Remuneration Report, any other key management personnel whose remuneration details are included in the 2018 Remuneration Report, or any of their closely related parties, will not be able to vote on Resolution 1 or to vote undirected proxies held by them on Resolution 1.

RESOLUTION 2: RE-ELECTION OF MR DON CHANNER AS A DIRECTOR

To consider and, if thought fit, pass the following resolution as an ordinary resolution:

"That Don Channer, who retires as a Director by rotation in accordance with the Company's Constitution and, being eligible, offers himself for re-election, be re-elected as a Director of the Company."

RESOLUTION 3: APPROVAL OF MEDIGARD EMPLOYEE SHARE OPTION PLAN (“Employee Plan”)

To consider and, if thought fit, pass the following resolution as an ordinary resolution:

“That for the purposes of ASX Listing Rule 7.2 (Exception 9(b)) and for all other purposes, shareholders approve the Employee Plan, including its application to eligible consultants or contractors to the Company, and the issue of securities under the Employee Plan until 28 November 2021, on the terms and conditions set out in the Explanatory Memorandum”

Voting Exclusion Statement:

The Company will disregard any votes cast in favour of this Resolution by:

- A Director of the Company (except one who is ineligible to participate in any employee incentive scheme in relation to the Company); or
- any associates of any of those persons.

However, the Company need not disregard a vote on this Resolution if:

- it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

SPECIAL BUSINESS

RESOLUTION 4: APPROVAL OF PLACEMENT FACILITY

To consider, and if thought fit, pass with or without amendment the following resolution as a **special resolution**:

“That for the purposes of ASX Listing Rule 7.1A, shareholders approve the Company having the capacity to issue fully paid ordinary shares in the capital of the Company up to the maximum number permitted under ASX Listing Rule 7.1A.2 at an issue price which is not less than 75% of the volume weighted average market (closing) price of the Company’s ordinary shares calculated over the last fifteen (15) days on which trades of the Company’s ordinary shares were recorded on ASX immediately before the date on which the issue price is agreed or the date the issue is made as described in the Explanatory Memorandum which accompanied and formed part of the Notice of Meeting.”

Voting Note:

If as at the time of the Meeting, the Company:

- is included in the S&P/ASX 300 Index; and/or
- has a market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of greater than \$300 million,

then this Resolution will be withdrawn.

However, the Company need not disregard a vote on this Resolution if:

- it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

By the order of the Board

Patricia Boero
Company Secretary

The accompanying Memorandum and the Proxy and Voting Instructions form part of this Notice.

- one proxy if the member is only entitled to one vote; and
- one or two proxies if the member is entitled to more than one vote.

Where more than one proxy is appointed each proxy may be appointed to represent a specific proportion of the member's voting rights. If the appointment does not specify the proportion or number of votes each proxy may exercise, each proxy may exercise half of the votes in which case any fraction of votes will be disregarded.

The proxy form (and the power of attorney or other authority, if any, under which the proxy form is signed) or a copy or facsimile which appears on its face to be an authentic copy of the proxy form (and the power of attorney or other authority) must be lodged with the Company's share registry not less than 48 hours before the time for holding the Meeting, or adjourned meeting as the case may be, at which the individual named in the proxy form proposes to vote.

The proxy form must be signed by the member or his/her attorney duly authorised in writing or, if the member is a corporation, in a manner permitted by the Corporations Act. A proxy given by a foreign corporation must be executed in accordance with the laws of that corporation's place of incorporation.

The proxy may, but need not, be a member of the Company.

A proxy form is attached to this Notice.

If you sign the proxy form and do not appoint a proxy, you will have appointed the Chair of the meeting as your proxy.

Corporate Representatives

Any corporation which is a member of the Company may authorise (by certificate under common seal or other form of execution authorised by the laws of that corporation's place of incorporation, or in any other manner satisfactory to the chairperson of the Meeting) a natural person to act as its representative at any general meeting.

Voting Entitlement

For the purposes of the Corporations Act and Corporations Regulations shareholders entered on the Company's Register of Members as at 6:00pm AEST on 26 November 2018 (Queensland time) are entitled to attend and vote at the Meeting.

On a poll, members have one vote for every fully paid ordinary share held. Holders of options are not entitled to vote.

How the Chair Will Vote Undirected Proxies

Subject to the restrictions set out below, the Chair of the meeting will vote undirected proxies in favour of all of the proposed resolutions.

Voting Restrictions on Resolution 1

The Remuneration Report identifies key management personnel (**Key Management Personnel**) for the year ended 30 June 2018. Their closely related parties (**Closely Related Parties**) are defined in the Corporations Act 2001 (Cth) and include specified family members, dependents and companies they control.

Directors of the Company who are Key Management Personnel whose remuneration details are included in the 2018 Remuneration Report, any other Key Management Personnel whose remuneration details are included in the 2018 Remuneration Report, or any of their Closely Related Parties, will not be able to vote on Resolution 1 or to vote undirected proxies held by them on Resolutions 1 or 3, provided however that the Chair may vote undirected proxies on behalf of persons eligible to vote where expressly authorised to do so on the proxy form.

Voting Restriction on Resolution 3

Directors of the Company will not be able to vote on Resolution 3 or to vote undirected proxies held by them on Resolution 3, provided however that the Chair may vote undirected proxies on behalf of persons eligible to vote where expressly authorised to do so on the proxy form.

2018 ANNUAL GENERAL MEETING
EXPLANATORY MEMORANDUM

PURPOSE OF INFORMATION

This Explanatory Memorandum (**Memorandum**) accompanies and forms part of the Company's Notice of Annual General Meeting (**Notice**) for the Annual General Meeting (**Meeting**) to be held at Southport Yacht Club, 1 Macarthur Parade, Main Beach, Queensland 4215 on Wednesday, 28 November 2018 at 10:30am (AEST). The Notice incorporates, and should be read together, with this Memorandum.

GENERAL BUSINESS

2018 Annual Financial Statements

The 2018 Annual Financial Statements, comprising the Financial Report, Directors' Report and Auditor's Report for the year ended 30 June 2018 will be laid before the Meeting.

There is no requirement for Shareholders to approve the Annual Financial Statements. However, Shareholders will have the opportunity to ask questions about, or make comments on, the 2018 Annual Financial Statements and the management of the Company. A representative of the auditor will be invited to attend to answer questions about the audit of the Company's 2018 Annual Financial Statements.

The Company's 2018 Annual Financial Statements are set out in the Company's 2018 Annual Report which can be obtained from the Company's website, www.medigard.com.au or upon request to the Company Secretary, Patricia Boero at the office of the Company, Suite 14, 30 Tedder Avenue, Main Beach, Qld (telephone 07 5528 5640).

Resolution 1: Non-binding Resolution - Remuneration Report

As a listed entity, the Company is required pursuant to the Corporations Act 2001 (Cth) (the **Corporations Act**), to propose a non-binding resolution regarding the 2018 Remuneration Report, which forms part of the Director's Report in the 2018 Annual Financial Statements. The vote is advisory only and does not bind the Directors or the Company.

Shareholders attending the 2018 Annual General Meeting of the Company will have an opportunity to discuss and put questions in respect of the Remuneration Report.

The Board will consider the outcome of the vote and comments made by shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies. Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings (**AGM**) (treating this AGM as the first such meeting), shareholders will be required to vote at the second of those AGM's on a resolution (a **spill resolution**) that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director and CEO) must be put up for re-election.

At the 2017 AGM greater than 75% of the votes cast on the adoption of the Remuneration Report contained in the Company's 2017 Annual Financial Statements were in favour of its adoption and therefore on this occasion a spill resolution will not be required in the event 25% or more of votes that are cast on Resolution 1 are against the adoption of the 2018 Remuneration Report. However, in the event that 25% or more of votes that are cast on Resolution 1 are against the adoption of the 2018 Remuneration Report, shareholders should be aware that if there is a 'no' vote of 25% or more for the same resolution at the 2019 AGM the consequences are that it may result in the re-election of the Board.

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice. In particular, Directors and other members of the key management personnel details of whose remuneration are included in the Remuneration Report or a closely related party of those persons must not vote on Resolution 1 and must not cast a vote as proxy, unless the proxy appointment gives a direction on how to vote provided however that the Chair may vote undirected proxies on behalf of persons eligible to vote where expressly authorised to do so on the proxy form.

Resolution 2: Re-Election of Mr Don Channer as a Director

Resolution 2 is a resolution for the re-election of Mr Don Channer as a Director of the Company.

Pursuant to the Constitution of the Company, one-third of the Directors or, if their number is not a multiple of three, the number nearest to but not exceeding one-third, but disregarding the Managing Director and Directors appointed to fill casual vacancies, are required to retire by rotation at each AGM. The Company has four Directors, none of whom is a CEO/Managing Director. Accordingly, one Director is required to retire by rotation at this Meeting.

Mr Channer retires by rotation and, being eligible, offers himself for re-election.

Mr. Channer's career of over 50 years has been one of building many and varied successful enterprises. Commencing his working life in his own engineering consultancy practice, he expanded that business into international civil contracting with clients including Government and major corporations in Australia and S.E Asia. Mr Channer is a director of several private companies. He served as Chairman of Medigard Limited from incorporation until 20 October 2017.

The Board (with Mr Channer abstaining) unanimously support the re-election of Mr Channer as a Director of the Company.

Resolution 3: Approval of Employee Share Option Plan ("Employee Plan")

The Company established an Employee Plan which was outlined in a prospectus dated 10 November 2003 prior to its admission to the official list of ASX. Pursuant to the Listing Rules approval for an Employee Plan is required to be renewed every three years at the Company's annual general meeting. The Company has not sought approval for an Employee Plan since its admission to the official list of ASX on 2 February 2004 and that Employee Plan has lapsed.

The proposed Employee Plan provides for the issue of options over ordinary shares which, upon satisfaction of any performance conditions attached to the options being met, and the exercise of the options, are convertible into ordinary shares in the Company.

Employees (including Directors), and contractors and consultants to the Company or any subsidiary of the Company are eligible to participate in the Employee Plan at the discretion of the Board of the Company.

Any grants of options under the Employee Plan to a Director or any associate of a Director will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

Resolution 3 seeks the approval of shareholders of the Employee Plan and for the Company to issue securities under the Employee Plan in accordance with Listing Rule 7.2 (Exception 9(b)).

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period as adjusted for subsequent eligible issues as outlined in the Listing Rule.

Listing Rule 7.2 (Exception 9(b)) sets out an exception to Listing Rule 7.1 which provides that issues under an employee incentive scheme (which includes the Employee Plan) are exempt for a period of 3 years from the date on which shareholders approve the issue of securities under the scheme as an exception to Listing Rule 7.1.

If resolution 3 is passed, the Company will be able to grant options under the Employee Plan to eligible participants over a period of 3 years from the date of approval without diminishing the Company's 15% annual placement capacity pursuant to Listing Rule 7.1 and, if resolution 3 is passed, the Company's 10% additional placement capacity pursuant to Listing Rule 7.1A.

The principal terms and conditions of the Employee Plan are set out below. A copy of the full terms and conditions is available by contacting the Company Secretary.

- Eligible participants are employees (including Directors), and contractors and consultants to the Company or any subsidiary of the Company at the discretion of the Board of the Company.
- The maximum number of options on issue at any time under the Employee Plan may not exceed 7% of the issued shares in the Company.

- Options not exercised lapse on the first of:
 - (a) 3 years from the date of grant;
 - (b) 3 months, or such longer period as the Directors determine, after the holder ceases to be employed by or engaged by the Company or a subsidiary of the Company;
 - (c) The eligible participant ceasing to be employed or engaged by the Company or a subsidiary as a result of termination for cause.
- The options granted under the Employee Plan may be issued or transferred to an eligible participants nominee at the discretion of the Directors of the Company. The options will not otherwise be transferable and the Company will not seek quotation of the options.
- The exercise price of options granted under the Employee Plan shall be determined by the Directors at the time of grant but shall not be less than a price representing a premium of 10% of the volume weighted average price of shares in the Company over the 10 days on which trades of shares in the Company were recorded prior to the grant of the options.
- The options may be exercised wholly or in part (provided such exercise consists of the remaining options held by the holder or a minimum exercise payment of \$10,000) at any time after their grant subject to any restriction imposed at the discretion of the Directors at the time of granting the options. However, options under the Employee Plan may not be exercised during a blackout period determined in accordance with the Company's policy for trading in Company securities.
- Shares allotted pursuant to the exercise of options granted under the plan will be allotted within 10 business days of receipt of a notice of exercise and cleared funds for the exercise money payable and the Company will apply, at its cost, for quotation of the shares on ASX.
- Shares issued pursuant to the exercise of options granted under the Employee Plan will rank pari passu with existing ordinary shares in the Company from the date of issue.
- In any reorganisation of the ordinary issued capital in the Company the number of unexercised options and their exercise price must be reorganised, if required, to comply with the requirements of ASX Listing Rule 7.22.

The Directors of the Company believe that Resolution 3 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this resolution.

SPECIAL BUSINESS

Resolution 4: Approval of placement facility

ASX has introduced fund raising rules to provide more flexibility for smaller companies to raise additional capital in an easier and potentially less costly manner. ASX Listing Rule 7.1A enables eligible entities to issue equity securities (as that term is defined in the ASX Listing Rules) up to 10% of their issued share capital through placements over a 12-month period after an annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to a company's 15% placement capacity under ASX Listing Rule 7.1. An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is, at the date of the Notice, an eligible entity.

The Company is seeking shareholder approval by way of a special resolution to have the ability to issue equity securities under the 10% Placement Facility. The exact number of equity securities (if any) to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer below). The Company may use funds raised from any 10% Placement Facility for funding of existing activities or new projects and/or general working capital. It may also use the 10% Placement Facility for non-cash consideration purposes such as in connection with joint venture agreements or arrangements, as payments to consultants or contractors or in connection with the acquisition of new projects (although the Company presently has no current proposal to do so).

No shares have previously been issued by the Company under ASX Listing Rule 7.1A.

The Directors of the Company believe that Resolution 4 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this resolution.

DESCRIPTION OF LISTING RULE 7.1A

- Shareholder approval

The ability to issue equity securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting.

- Equity securities

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company. The Company, as at the date of the Notice, has one class of quoted equity securities, being ordinary shares (ASX code: **MGZ**).

- Formula for calculating 10% Placement Facility

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may, during the 10% Placement Period (defined below), issue a number of equity securities calculated in accordance with the following formula:

$(A \times D) - E$

where:

A is the number of shares on issue 12 months before the date of the issue or agreement to issue:

- (i) plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
- (ii) plus the number of partly paid shares that became fully paid in the 12 months;
- (iii) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rules 7.1 and 7.4;
- (iv) less the number of fully paid shares cancelled in the 12 months.

Note: "A" is has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rules 7.1 or 7.4.

- ASX Listing Rule 7.1 and ASX Listing Rule 7.1A

The ability of an entity to issue equity securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

As at the date of this Memorandum, the Company has 135,300,327 fully paid ordinary shares on issue and therefore would have capacity to issue:

- (i) 20,295,049 ordinary shares under Listing Rule 7.1 (15% capacity); and
- (ii) subject to shareholders approving this Resolution, 13,530,033 ordinary shares under Listing Rule 7.1A (10% capacity).

The actual number of equity securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer above).

- Minimum Issue Price

The issue price of equity securities issued under ASX Listing Rule 7.1A must be not less than 75% of the VWAP of equity securities in the same class calculated over the 15 trading days immediately before:

- (i) the date on which the price at which the equity securities are to be issued is agreed; or
- (ii) if the equity securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.

- 10% Placement Period

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the AGM at which the approval is obtained and expires (and ceases to be valid) on the earlier to occur of:

- (i) the date that is 12 months after the date of the AGM at which the approval is obtained; or
- (ii) the date of the approval by Shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking) (**10% Placement Period**).

- ASX Listing Rule 7.1A

The effect of Resolution 4 will be to allow the Directors of the Company to issue the equity securities under ASX Listing Rule 7.1A during the 10% Placement Period separate to the Company's 15% placement capacity under ASX Listing Rule 7.1. Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

SPECIFIC INFORMATION REQUIRED BY ASX LISTING RULE 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- Any equity security issued will be issued at an issue price of not less than 75% of the VWAP for the Company's equity securities over the 15 trading days immediately before:
 - (i) The date on which the price at which the equity securities are to be issued is agreed; or
 - (ii) If the equity securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.
- If Resolution 4 is approved by the Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company would be diluted as shown in the below table (in the case of options, only if the options are exercised). There is a risk that:
 - (i) the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of the Meeting; and
 - (ii) the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date,

which may have an effect on the quantum of funds raised by the issue of the equity securities.

The table below shows the dilution of existing shareholders on the basis of the current market price of the Company's ordinary shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at the date of the Notice.

The table also shows:

- Two examples where variable “A” has increased by 50% and 100%. Variable “A” is based on the number of ordinary shares the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require shareholder approval (for example, a pro-rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future shareholders’ meeting.
- Two examples of where the price of ordinary securities has decreased by 50% and increased by 50% as against the closing price of the Company’s shares on 8 October 2018.

Variable “A” in ASX Listing Rule 7.1A.2		Dilution		
		\$0.011 50% decrease in Deemed Price	\$0.022 Deemed Price	\$0.033 50% Increase in Deemed Price

	Funds raised	\$297,660	\$595,322	\$892,982

The table above has been prepared on the following assumptions:

- The Company issues the maximum securities available under the ASX Listing Rule 7.1A being 10% of the Company’s shares on issue at the date of the Meeting.
- No options are exercised into fully paid ordinary securities or convertible notes converted before the date of the issue of securities under ASX Listing Rule 7.1A.
- The table does not demonstrate an example of dilution that may be caused to a particular Shareholder by reason of placements under ASX Listing Rule 7.1A, based on that shareholder’s holding at the date of the Meeting.
- The table only demonstrates the effect of issues of securities under ASX Listing Rule 7.1A. It does not consider placements made under ASX Listing Rule 7.1, the “15% rule”.
- The price of ordinary securities is deemed for the purposes of the table above to be \$0.022 (2.2 cents), being the closing price of the Company’s listed securities on ASX on 8 October 2018 (**Deemed Price**). The Deemed Price is indicative only and does not consider the up to 25% discount to market that the securities may be placed at.
- The table does not take into account the issue of any securities for which shareholder approval is being sought at this Meeting. The table does not demonstrate the effect of listed options being issued under ASX Listing Rule 7.1A, it only considers the issue of the fully paid ordinary securities.

The Company may seek to issue the equity securities for the following purposes:

- Non-cash consideration – including in connection with joint venture arrangements or agreements, payment of contractors or consultants or in connection with the acquisition of new projects (although the Company presently has no proposal to do so). In such circumstances, the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3.
- Cash consideration – in such circumstances, the Company intends to use the funds raised towards advancing existing Company projects, the acquisition of new projects and/or general working capital.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon issue of any equity securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to factors including but not limited to the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- the effect of the issue of the equity securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company. Further, if the Company were to pursue an acquisition and were it to be successful in acquiring new assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new assets or investments.

No issues of securities have previously been made by the Company under ASX Listing Rule 7.1A.

A voting exclusion statement is included in the Notice to which this Memorandum relates. At the date of that Notice, the Company has not approached any particular existing shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the equity securities. No existing shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

The Directors of the Company unanimously recommend shareholders vote in favour of Resolution 4.

TO VOTE BY COMPLETING THE PROXY FORM

STEP 1 APPOINTMENT OF PROXY

Indicate who you want to appoint as your Proxy.

If you wish to appoint the Chair of the Meeting as your proxy, mark the box. If you wish to appoint someone other than the Chair of the Meeting as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chair of the Meeting will be your proxy. A proxy need not be a securityholder of the company. Do not write the name of the issuer company or the registered securityholder in the space.

Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

To appoint a second proxy you must:

- complete two Proxy Forms. On each Proxy Form state the percentage of your voting rights or the number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- return both forms together in the same envelope.

STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities your vote on that item will be invalid.

Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meeting must have provided an "Appointment of Corporate Representative" prior to admission.
